

# Peek at our WEEK

## HIGHLIGHTS

In Science we asked winter related questions. We learned about the coldest place on earth and where bugs go in the winter.

In Reading, we continued to practice writing our recountings of stories in complete sentences. We also continued reading books for the Mock Caldecott Award. In phonics we focused on long o patterns (oe, o\_e, ow, oa, o). Mrs. Wake came in on Thursday for a Read Across America read aloud!

In Writing, we wrote about finding a penguin in our backyard and the adventures we had with the penguin.

In keeping with the penguin theme, I hope you enjoy the penguin craft!

In Math, we reviewed several skills through winter themed activities. Some skills included graphing, expanded form, telling time, and addition with regrouping.

## Reminders

Enjoy Winter Break with your family and Happy Holidays!

A Winter Break Reading Challenge was sent home Thursday! It is optional, but I encourage the students to participate!

Winter Break Begins - December 20

School Resumes - January 3

### 12/17/2021

### Star of the Week (Coming after break!)

### This Week's Sight Words why, because, could, eat, you

Remember to read 15-20 minutes nightly and review the sight words!

## SECOND GRADE

## DECEMBER

### 2021 DECEMBER
