

Peek at our WEEK

HIGHLIGHTS

In Science we built towers with marshmallows and toothpicks. We also experimented building houses out of paper.

In Reading, we wrote recountings of stories we read in complete sentences. We also answered questions about the stories we read. We continued reading books for the Mock Caldecott Award.

In Writing, we continued writing imaginative narratives. Students reviewed their work to make sure they included the components of imaginative writing.

In Math, we continued our focus on solving 1 step and 2 step addition and subtraction word problems. We also practiced balancing equations to make sure each side of the equation is true.

Woodland Day was today. Students worked on creating presentations for the plant/tree they researched.

1/14/2022

Star of the Week Ja'sun

This Week's Sight Words both, clean, drink, must, these

Remember to read 15-20 minutes nightly and review the sight words!

SECOND GRADE

JANUARY
