

Peek at our WEEK

HIGHLIGHTS

This week in Science we reviewed plant parts and functions. We also explored some interesting carnivorous plants. We chose a biome for our upcoming research project.

In Reading, we focused on fictional texts and discussed how characters respond to events and challenges. We also reviewed and assessed main topic as well as asking and answering questions in nonfiction texts.

In Writing, we explored changes that occur in the spring. We created a spring craftivity writing project describing these signs of spring.

In Math, we continued working on telling time to 5 minutes intervals. We also talked about naming times with terms like half past, quarter past and quarter to. Finally, we discussed A.M. and P.M. Keep practicing reading an analog clock at home!

3/24/2022

This week we celebrated one birthday.
Happy Birthday, Ja'sun!

This Week's Sight Words
soon, pull, over, also, carry

Remember to read 15-20 minutes nightly and review the sight words!

SECOND GRADE

REMINDERS

NO SCHOOL TOMORROW: Friday, March 25th

Spring Break: March 25-April 3
Have a wonderful break with your families. See you back on 4/4!

We will be studying biomes when We return from break-**all students will need a shoe box (or similar sized box) for a project by April 11th.** A note was sent home regarding this on Wednesday and is also attached.

Biome Project

Dear Second Grade Families,

We will be learning about biomes after spring break. Students will be researching and creating an informative piece about the biome they choose. They will also be creating a 3D diorama of their biome.

Students will work on this project in class and will need to bring in a shoe box or other similarly sized box, by Monday, April 11th.

Thank you,

The 2nd Grade Team

2021-2022 Yearbooks!!

Yearbooks are on sale for \$18
on the MV website.

There are LIMITED QUANTITIES
so order before they are
gone!
