

# Peek at our WEEK

## HIGHLIGHTS

This week in Science, we finished creating an animal care guide for the animal we researched. We also began learning about ways that animals and plants rely on each other (interdependence).

In Reading, students listened to different versions of familiar fairy tales. They identified the point of view of the narrator (1st person or 3rd person). They also compared and contrasted the stories.

In Writing, students completed and shared their biome dioramas. After reading The Three Little Pigs and The True Story of the Three Little Pigs, students began an opinion piece stating whether they believe the pigs or the wolf was telling the truth. They supported their opinions with evidence.

In Math, we partitioned squares and rectangles into equal shares. We noticed how equal shares are often the same shape, but they do not have to be.

## Reminders

### Other Highlights from the Week:

- \*We visited the library in person!
- \*Mrs. Misulonas's 4th graders came to interview us about Grayslake.
- \*We celebrated Earth Day!

Meadowview is hosting a Lego brick drive for the **Bricks of Hope Charity**. See the attached slide for details.

Please be sure your student is coming to school with a **fully charged Chromebook each day!**

# 4/22/2022

## This Week's Sight Words work, years, three, into, such

Remember to read 15-20 minutes nightly and review the sight words!

## SECOND GRADE

## APRIL

# Bricks of Hope

Meadowview's Student Council is excited to host our first ever BRICK DRIVE during the rest of April! Our mission is to help Bricks of Hope - a local charity - collect new LEGO sets that will be delivered to local hospitals. The brick sets will be gifted to kids during their stay at the hospital! We are excited to be able to create play, spark connections and build hope by giving the gift of LEGO! (To learn more about Bricks of Hope, visit their website at:

<https://www.bricksofhope.org/>)

# 2021-2022 Yearbooks!!

Yearbooks are on sale for \$18  
on the MV website.

There are LIMITED QUANTITIES  
so order before they are  
gone!
