

Peek at our WEEK

HIGHLIGHTS

This week in Science, we created our own pollinator to observe how they are able to collect pollen to carry to other plants. We also learned about how animals rely on plants in order to survive.

In Reading, students continued to listen to different versions of familiar fairy tales. They identified the point of view of the narrator (1st person or 3rd person). They also compared and contrasted the stories.

In Writing, we finished writing our opinion piece about whether we believe the pigs or the wolf was telling the truth. Students supported their opinions with evidence.

In Math, we focused on drawing arrays and wrote the repeated addition equations to match the arrays we drew. We assessed this skill on Friday.

4/29/2022

This Week's Sight Words Review: please, through, where, laugh, before

Remember to read 15-20 minutes nightly and review the sight words!

SECOND GRADE

REMINDERS

Other Highlights from the Week:

- *This week we celebrated two birthdays. Happy Birthday, Natalia and Liam!
- *Friday was Poem in your Pocket Day.
- *Young Authors celebrated their stories at the Young Author Reception on Friday.

The next **Late Start** is **Wed. May 11th**.

The weather is constantly changing in Spring-be sure your child has suitable clothing/jacket for recess. We go out in the morning and it is often chilly.

Please be sure your student is coming to school with a **fully charged Chromebook each day!**
