

# Peek at our WEEK

## HIGHLIGHTS

It was wonderful to meet all of the students this week! I enjoyed getting to meet them in person and starting to learn more about each student.

The students participated in several activities to help get to know their new classmates and start building our classroom community. We explored classroom routines and procedures.

Be sure to ask your child about their favorite activities.

## REMINDERS

There is a **LATE START** on **Wednesday, Sept. 1st** - School begins at **9:20am**. Doors open at 9:10.
