

Peek at our WEEK

HIGHLIGHTS

This week we explored the features of maps and created a map of a few places to visit in Grayslake.

In Reading, we continued our focus on using illustrations to help us understand more about a story. Students also worked on answering questions about stories they read.

In Writing, we began to talk about what to include in personal narrative stories. Students started brainstorming ideas for a time they had fun with a friend.

In Math, we continued reviewing addition and subtraction strategies as well as showing our work to explain our thinking.
