

# Peek at our WEEK

## HIGHLIGHTS

This week we explored what communities are and described features communities have. We also discussed places we like to visit within the Grayslake community!

In Reading, we explored how illustrators help us to understand how characters are feeling and how illustrations help tell parts of the story the words do not.

In Writing, we continued our focus on what makes up a complete sentence. Student also practiced capitalizing proper nouns.

In Math, we reviewed addition and subtraction strategies through games and fact skill practice.
